

R C C M - C I 4

The Twisted Future

What in the world is going to happen?

...A "butterfly accident" is happening!

"A butterfly that flaps its wings in Brazil sets off a tornado in Texas."

The most minute events can trigger the most drastic phenomena.

The future's getting distorted, all because Tony Heisenlopp didn't die like he did in the last turn...

My
name

is
Shinjo
Himari!
Nice to
meet
you!

I'm Ozaki.
I've been
defying
destiny all
my life.

He's
so
hot!

Your
powers have
just barely
restored.

Right now,
you can only
stop time for
a minute or two
at most, and
you can't even
turn it back
half a day.

I can't
save the
world like
this!

EVERY
ONE

I still
couldn't
stop it...

Nooni...
What the hell
are you
doing?

I'm
checking
my sense of
balance.

But I
told you
to get
some
rest!

010

Yokozawa
could send
someone
after me
at any
moment.

I can't
afford
to rest.

You haven't
even held
Riku once
since he
was born!

Come on,
you idiot!
Try doing
something
manly
for a
change!!

Naomi...

I can't hold him...
The beast within me refuses to.

Let's arrange another
venue to send
after her.

Looks
like it's
the end
for
Naomi
now.

Pull up
the list.

Is this
a substi-
tution?

I'm afraid
I can't leave
the Babal in
your hands
any longer.

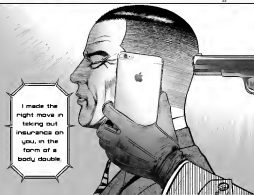

hoko-
miso.

No,
this is a
designa-
tion for
design-
ment,

...So
you're
elim-
inating
me.

I made the
right move in
taking out
insurance on
you, in the
form of a
body double.

An ounce of
prevention
is worth a
pound of
cure.

Yes. The
GL Games is
being live-
streamed to
spectators
from across
the world.

So we're
race horses,
are we?

These
spectators
bet on who will
die, and who
will survive.

You'll survive if you're lucky enough.

Don't worry about it, boy.

This is so messed-up...

"Luck helps the audacious."

It means that the successful know the importance of luck.

It's a German proverb.

Huh?

*I'd
hardly be
exaggerat-
ing to say
that this
has infinite
value.*

*So I can see
why people at
the end of
their rope
would want
to take
part in it.*

**Shut
up!!**

*The winner
of the GL
Games not
only re-
ceives an
enormous
prize,*

*but also
the trust of
VIPs from
around the
world.*

33

Heck, now
that I know
who's behind
all this...

The
truck's
been
attach-
ed!!

Hide or
It's
over!!

Is the
supply truck
here yet!!?
We're running
low on anti-
biotics!

You're
kidding

Hidden, the
Lord's giving
us a trial.

Bullet! We're
going to lose
so many lives
without this
medicine!

How could
this have
happened...?
How cruel
does God
have to be?!

Kate...?

Does mean
you leaked
the truck's
route to the
rebels?

I never
thought
they'd go
this far...

I'm so
sorry
I really
needed
the money

WELL,
MOST OF
THEM WERE
BEYOND
OUR HELP
ANYWAY!

I know.
You're in
love with me.
So you'll
forgive me,
won't you?

Kate...
I...

Congratulations,
I'd like
to talk to
you about
Koto.

Save it
for later.
I've got
work to
do.

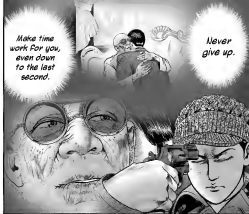

*Isoda's
not that
lenient...*

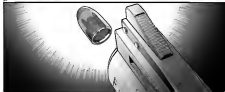

*He'll do
whatever it
takes to get
rid of me.*

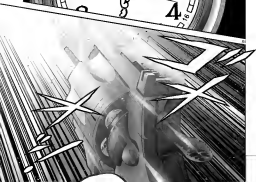

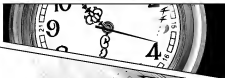

Stop
this
time!!

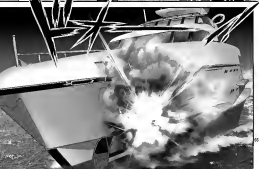

Well,
that's
still
lucky.

T-T-the bullet
went right
through his
head...

*You're
kidding
me!*
